(c) the number of such families who could actually be brought above poverty level?

THE MINISTER OF STATE OF THE MINISTRY OF URBAN EMPLOYMENT AND POVERTY ALLEVIATION (KUMARI SELJA): (a) As per the Planning Commission estimates in 1999-2000, 26.10 percent of the population was living below the poverty line in the country.

(b) and (c) Since inception of the Swarna Jayanti Shahari Rozgar Yojana (SJSRY) in 1.12.1997 so far 6,90,721 urban poor have been assisted to set up micro enterprises and 7,01,098 persons have been provided skill training. In addition to this, 532.50 lakhs mandays of work have been generated under the wage employment component of SJSRY. It is likely that the urban poor assisted under SJSRY are able to come above the poverty line in due course after successfully running their micro enterprises ventures.
